Dear Parents and Carers,

To help support your child at home with their reading, we have an online subscription for the Oxford Owl eBook Library. Electronic books (eBooks) have been individually assigned to your child at their specific reading level. These eBooks are in addition to your child's physical reading book that they bring home each week. Children can read these electronic books on a smart phone, tablet, laptop or PC at home.

These eBooks can be accessed online using a specific **username and password**. Please see below for instructions:

1. Go to the Oxford Owl website. This site can be accessed by typing www.oxfordowl.co.uk into your browser.
2. Click on '**Log in**' on **Oxford Owl for schools**
3. Click on '**Students**' tab
4. Insert allocated **user name and password** (attached to this letter)
5. Click on '**Read the eBook**' to read. Use the arrows underneath the book to turn the pages.
6. When the book has been read **3 times**, click on '**I have finished the book**'. There will be a follow-up quiz for each book. Now, your child's teacher can see that the task has been completed.

Thank you for your support. Please contact your child's teacher with any queries or concerns.

Best wishes,
