#### School response:

*It is always a really difficult task to get homework right for all families. In 2019-20 we consulted with parents at our school to ensure that what we are providing meets the expectations of the majority of parents whilst not putting families under too much pressure to complete work at home.*

*We now set the following homework for children:*

- ✓ Daily reading (including reading challenges)
- ✓ Phonics and / or spellings tasks
- ✓ KIRFS (key instant recall facts) every half term
- ✓ 'Power Projects' every half term linked to wider curriculum learning

*We also provide access to a number of education apps to support learning at home, including TT Rockstars, ReadingPlus and Espresso as well as devices to support children in accessing these out of school.*

### The school makes sure its pupils are well behaved

|            |     |
|------------|-----|
| Agree      | 221 |
| Disagree   | 8   |
| Don't know | 17  |

97% agree or don't know  
3% disagree

### This school deals effectively with bullying:

|              |     |
|--------------|-----|
| ● Agree      | 190 |
| ● Disagree   | 16  |
| ● Don't know | 40  |

93% agree or don't know  
7% disagree

#### School response:

*Bullying is not acceptable in any form and we treat all cases of bullying extremely seriously. This involves speaking to and working with parents and carers, speaking with the children and putting in consequences and actions to prevent it from happening again.*

*We actually get very few cases of bullying at our school, though it does happen and can understandably cause a lot of upset. Please remember, not all unkind behaviour incidents are bullying. Bullying is if the same child or children are doing unkind things several times on purpose:*

**S**everal  
**T**imes  
**O**n  
**P**urpose

*This does not mean that unkind actions by other children are in any way acceptable or will not be dealt with. It simply means that they are one-off incidents that will be addressed using our school's published behaviour policy.*

*We are not aware of any parents who are unhappy about any bullying incidents that may have occurred in the past. If you are one of the parents who said on this survey that school has not dealt with a bullying incident, please make an appointment to discuss things further with me so that we can resolve things.*

#### School response:

Teachers are always available to meet with you to discuss how your child is doing in school – you can make an appointment either by phoning school or by email your child's teacher at their year group email (e.g. [year1@uplandsmanor.sandwell.sch.uk](mailto:year1@uplandsmanor.sandwell.sch.uk)) to request a meeting.

We have parents' evenings every term and also an annual, written report at the end of every year that is sent home to you.

If you have any other ideas or suggestions about how you would like to receive information about your child's progress then we are very happy to consider these in school and feed back to you.

### I would recommend this school to another parent:

|              |     |
|--------------|-----|
| ● Agree      | 232 |
| ● Disagree   | 7   |
| ● Don't know | 8   |

97% agree or don't know  
3% disagree

Thank you for taking the time to give us this valuable and extremely positive feedback – we will take it all on board and continue to work hard to make Uplands Manor the best school that it can be for you and your children.

Remember, senior staff are out on the playground every day before and after school if you ever need to discuss anything with us.

Yours faithfully
